

### BRONZE PROMOTION - \$400

#### Professional Graphic Design

A graphic designer will consult with you to develop the color scheme and wording for a 4x6 double sided flyer layout. You may use both sides for one advertisement or you may have two different layouts. The flyer design will be delivered to you in an electronic format available for use online. Any photos used must have copywrite approval from the owner of the photo.

#### Faraghani Online Marketing

Faraghani posts both sides of your flyer on multiple social media and advertisement websites such as Facebook, Instagram, Twitter, etc. You will be provided with feedback from your campaign so that you can focus your attention to the right audience.

#### Dual Sided Flyers

Our graphic designers will format your electronic flyer for 4x6 print and deliver 1,000 dual sided flyers to you for distribution. Additional amounts are available at competitive rates.
